HONOURS AND AWARDS

31/05/2024

National programming Olympiad honorable place. – Ventspils īzglītibas pārvalde

Honorable place in Latvian national Olympiad.

HOBBIES AND INTERESTS

Reading

Avid reader of technology blogs, science fiction, and personal development books, constantly seeking to expand my knowledge and stay updated on industry trends.

Art

Passionate about digital and traditional art, with a focus on graphic design and illustration, which enhances my creativity and attention to detail in web development projects.

Artificial Intelligence

Enthusiastic about exploring AI technologies, including machine learning and natural language processing, through online courses and personal projects.

Web Development

Enjoy building and experimenting with new web technologies and frameworks in my free time, often creating personal projects to refine my skills and stay ahead in the field.
